WELCOME

Welcome to our annual online bull sale!

What an exciting time to be in the cattle business! It's so nice to see these market reports week after week watching everyone get rewarded for all their hard work throughout the year.

I want to thank everyone for their support and business in the past and look forward to meeting any potential newcomers. If you have any questions about the offering, feel free to give me a call or text.

The sale will be conducted in the same manner as years past. If you have questions on that, feel free to reach out to me or to DVAuction and we'd be happy to assist.

The cattle are as honest as you'll find. What you see is what you get. This place can feel a lot like Siberia at times and there's no special treatment here. The cow herd gets ran pretty hard through the winter. They have to raise a good calf, breed back and do it year in and year out – or they will find their way to the sale barn. I cull on these things probably a little too hard, but I am darn sure proud of the set of cows that stand behind these bulls. Maternal value is absolutely not a convenience trait. It is essential to anybody that owns a set of cows. These things have a lot of obligations to fulfill or they're no good to anybody. Udder quality, mothering ability, disposition, fertility, and performance. I do my best every year to keep adding value to this set of cows and try and bring in a better set of calves for you to evaluate.

The bulls have been handled the same as years past. Developed with their futures in mind. If you have trouble with a bull, they are fully guaranteed. Please just let me know about it and it we will get it taken care of.

Thank you for the interest in our program!

Signed,

Troy and Jeri Carter

GENOMIC ENHANCED EPDS

EPDs are genomically enhanced. Cattle have been genetically tested for any potential genetic defects and are labeled as such.

VIDEOS

Videos of bulls selling will be available for viewing through DVAuction. See page 2 for bidding details.

SEMEN INTEREST

Retain the right to 1/3 semen interest on any bull selling.

\$100 SALE REBATE

Receive a \$100 sale rebate for viewing the bulls before the sale!

WINTERING AND DELIVERY

Free wintering on bulls until fertility testing which typically occurs early April. Free delivery 400 miles in the U.S.

INSPECTION OF CATTLE

Buyers are encouraged to view the sale offering prior to the sale at their convenience. Available for viewing at any time. The bulls are located 3.5 miles south of Rocklake, and 1.25 miles east.

GUARANTEE

The bulls are fully guaranteed through the first breeding season. If there is a problem with an injury or infertility prior to delivery it is our problem and not yours.

HERD HEALTH

Cattle will be provided with proper health certificates for interstate shipment. Cow herd is tested annually for Johnes.

Watch & Bid online for FREE!

DVAuction Online Only Auctions

How they work:

This means that bidders will be able to preview the lots online with complete information, including their pedigree, EPDs, and possibly a video, for several days prior to the sale. During that time, bidders can leave a maximum bid, which the system will represent confidentially up to that amount. Bidders can also bid incrementally, as the bid advances prior to the close.

All lots will close at the same time. Bidding will be extended if a bid is placed on any lot near the closing time. Bidding will officially close when there are no bids placed within a 5 minute period of time.

For General Questions Please Contact Our Office:
(402) 316-5460 or support@dvauction.com

1.15	53	76		

An absolute unit in terms of a beef bull. Wide, expansive muscle shape and base width. He's a changer in terms of adding meat. A soft made, deep bodied bull with extra bone that will sire performance and should leave an excellent set of replacement females. His sister sired by Glory Days is the best of that sire group.

Phenotypically one of the best we will show you. He is an absolute stud. He's thick, sound and attractive. He's an easy one to find walking the pen. I've been really impressed with the Glacier sire group all year. The female making potential on him will be next level. Dam raised one of the featured Man In Black sons in last years offering going to G&D Simmentals.
